A word from our President:

Hi all!

What a great first half of our guild year! I hope that everyone has been enjoying the program so far. Our preemie quilt drive is off to a great start with several preemie quilts already submitted. Don't forget that Eversoft has donated many battings for our drive so if you would like to sign some out, we will have them at the meeting. Our preemie quilt work bee is coming up in April.

Also, our Jelly Roll Race evening is fast approaching so if you are submitting 2.5" strips of 100% quilter's cotton, from selvage to selvage, we would love to have them all in by the next meeting so that we can get them sorted into groups. We need to sort them out before the meeting so that we can get to the sewing at the start of the meeting. We will need to break into teams so if you don't mind bringing a sewing machine and/or iron please let me know at the meeting.

See you soon!

Katrina Kahn

President
