Charity Work:

One of our goals as a guild is to produce charity quilts for various local organizations. This year we are making jelly roll quilts as it was such a success last year. They will be donated to the Phoenix Centre which is a service for young adults. We made quilted stockings at Christmas for Share a Gift Foundation and we are making preemie quilts for the Rich Little Neo-Natal Clinic.

Rich Little Neo-Natal Clinic:

Again this year, we will be making preemie quilts. These small quilts have a finished size of 24" square, and are donated to the clinic in the Ottawa Civic Hospital. A preemie quilt is given to each premature new born at the clinic. The quilt becomes the property of the baby and accompanies him/her home.

"SEW DAYS AT THE LIBRARY".

Sew Days at the library are canceled because the participation was low.
