Charity Work:

One of our goals as a guild is to produce charity quilts for various local organizations. This year we are making jelly roll quilts as it was such a success last year. They will be donated to the Phoenix Centre which is a service for young adults. We made quilted stockings at Christmas for Share a Gift Foundation and we are making preemie quilts for the Rich Little Neo-Natal Clinic.

Rich Little Neo-Natal Clinic:

Again this year, we will make small quilts to be donated to the clinic in which a quilt is given to each baby. The quilt becomes the baby's home.

be making preemie quilts. These are finished size of 24" square, and are donated to the Ottawa Civic Hospital. A preemie quilt is given to each premature new born at the clinic. The quilt becomes the property of the baby and accompanies
