

Mountain Majesties

Makes two blocks (finished at 6" x 7 1/2")

One dark square @ 8 1/2"

One light square @ 8 1/2"

Place your squares with right sides together, and mark a diagonal line from corner to corner on the back of your light square. Pin carefully and sew a 1/4" seam on each side of the marked line. Cut along the marked line, open your new HSTs (Half Square Triangles) and press seam towards darker fabric. Square them up to 8".

Lay your HSTs together with the dark of the top triangle on the light of the bottom. Cut both blocks into two inch sections as shown. Separate the top strips from the bottom, and rearrange each strip set to form the mountain majesties pattern.
