

Churn dash

- The churn dash is basically a 9 patch block
- If you play with each patch, the results are as varied as they are fun
- Patch sizes and colours make each unique

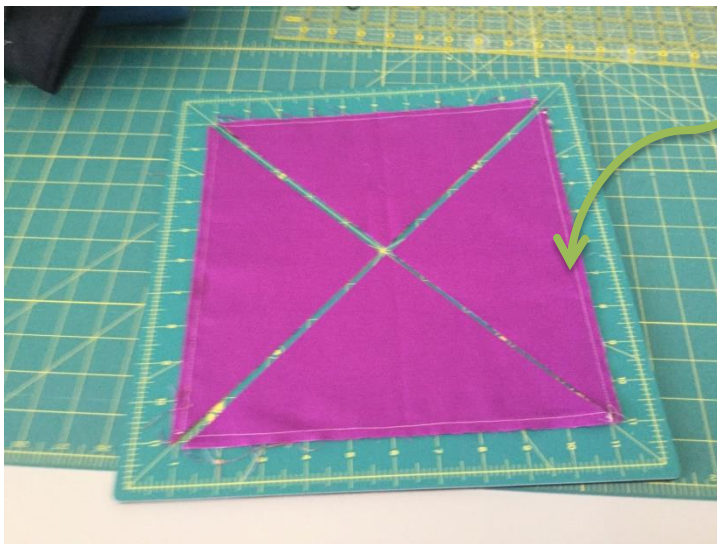

Disappearing pin wheel churn dash

TWO 10 inch squares

with right sides together, sew around the outside completely and cut into 4 diagonally

Press each cut section open without stretching.

Arrange into pinwheel pattern and cut into a nine patch as shown

center your pinwheel on your cutting mat, note my mat lines & where the seams are. (cut 2-1/8" from each middle seam)

Arrange into churn dash pattern and sew together
