CUTTING INSTRUCTIONS

- (2) 5" square white
- (1) 2" square white
- (1) 5" square red
- (1) 2" square red
- (1) 2" x 3 1/2" white strip
- (1) 2" x 5" white strip

ASSEMBLY INSTRUCTIONS

1. Place the white and red 5" square RST. On the wrong side of one of the squares, mark both diagonals. Sew 1/4" along each side of both lines. *Careful not to move while cutting*, cut in half vertically and horizontally, and then cut along the marked lines to create eight half-square triangle units. Trim each HST to measure 2" square. See Fig. 1. Repeat 3 times for a total of 24 HSTs

2. Arrange two HSTs, one red 2" square, one white 2" square, one white 2 x 3 1/2" strip and one white 2 x 5" strip as shown in Fig. 2. Join the squares together in a four patch. Add the smaller white strip to the bottom, and then join the longer strip to the left side to complete one Unit A. Make 4 Unit A.
